I think A is better for a guidebook. It shows a tree and a bench, so we can easily understand it's a park. I don't think B is good because it has too much information in one pictogram. [38 words]

(例 2)

I think B is better. It looks like a park because people are doing various things and there are trees and flowers. When people see A, they may think it's just a garden. [33 words]
